Chesnut Breasted Mountain Finch – Andean Peruvian Endemic

OCTOBER 02TH

Our second day we decided to look for the special and restricted habitat bird “Royal Cinclodes”. So we started early in the morning and went straight to Abra Malaga Pass and walked for more than 04 hours getting our target bird and some more special birds along this tiring but rewarding walk. After this nice morning walk, we just decided to relax a little with a short walk by Peñas, an area with some potato plantation, looking for *Tackzanowsky Tinamou* (Heard).

Birds of the Day:

The Endemics *White Browed Tit Spinetail, Rusty Fronted Canastero* and the special *Royal Cinclodes*.

- Some other birds like *Ash Breasted Tit Tyrant, Tawny Tit Spinetail, Puna Tapaculo, Thick Billed Siskin, Plain Colored Seedeater, Cordilleran Canastero, Paramo Pipit, Andean Swallow, Puna Ground Tyrant, Tackzanowsky Ground Tyrant, Black Necked Stilt, Andean Flicker, Blue Mantled Thornbill, Ash Breasted Sierra Finch, White Winged Cinclodes, Puna Ibis.*

OCTOBER 03TH

Our morning was not the best since one of my Guest had some stomachache, so we did not bird much. But we managed to get a big target bird right by the Hotel at Ollantaytambo. *Bearded Mountaneer*, Endemic to Peru. We saw it quite close and got some nice shots from this beautiful hummingbird. Then we drove to Cusco to spend the night there and

get ready for the following day. On the way to Cusco we did a short stop to get some water birds by Waypo Lake, getting some new birds for this trip.

Birds of the Day:

- ✪ The Endemic *Bearded Mountaineer, Green Tailed Trainbearer, White Bellied Hummingbird, Cinnamon Teal, White Tufted Greebe, Yellow Winged Blackbird, Many Colored Rush Tyrant, Wren like Rushbird, Variable Hawk, Lesser Yellowleg, Andean Coot, Yellow Billed Pintail, Yellow Billed Teal, Puna Teal, American Kestrel.*

OCTOBER 04TH

We left Cusco after breakfast and headed to Manu Road. On the way we had some stops around Huacarpay Lake for some target birds, then another one by Huancarani Town for some more Target Birds, we were lucky since we got what we wanted. We were also lucky having a sunny day, this way we could enjoy the landscape along the road to finally arrive to Wayqecha Lodge, where we had five days to bird around.

Birds of the Day:

- ✪ The Endemic *Creamy Crested Spinetail, Chesnut Breasted Mountain Finch & once again Bearded Mountaineer.* Some more cool birds like *Streak Fronted Thornbird, Black Tailed Trainbearer, Black Throated Flowerpiercer, Moustached Flowerpiercer, Sierran Elaenia, House Wren, Rufous Naped Ground Tyrant, Rufous Webbed Bush Tyrant, Amethys Throated Sunangel, Chiguanco Thrush, Great Thrush, Bare Faced Ground Dove, Blue and Yellow Tanager, Rufous Collared Sparrow, Hooded Siskin, Band Tailed Seedeater, Peruvian Sierra Finch, Plumbeous Rail & Golden Billed Saltator.*

OCTOBER 05TH

Another beautiful day with very cool birds at Wayqecha Station, we had a pleasant weather with a little sunshine. We started in the morning with the Canopy Walkway getting some good birds as we walked down to the place. Once there, we could enjoy the *Elfin Forest* from a different angle and we took some nice bird shots from the Canopy Walk Way, then walked back to the main highway for more birding before lunch.

A little break after having lunch since the temperature can also be hot here during midday and started again in the afternoon with another birding walk, this time we went down the road with some nice birding activity.

Birds of the Day:

- ✪ *Slaty Backed Chat Tyrant, White Collared Jay, Golden Collared Tanager, White Collared Swift, Rust and Yellow Tanager, Rufous Chested Tanager, Tyrannine Woodcreeper, Gray Breasted Mountain Toucan, Pale Legged Warbler, Citrine Warbler, White Throated Tyrannulet, White Banded Tyrannulet, Three Striped Warbler, Grass Green Tanager, Hooded Mountain Tanager, Black Throated Tody*

OCTOBER 23TH

Very early departure to be on time on our almost last adventure Birding Trip. So we took the boat at 4:30 am for 02 hours downstream and got to Colorado Village, where we took a taxi car for 01 hour and then a short boat ride to go across the Inambari River and finally take the 02 and half hours car ride to Puerto Maldonado. So the trip to the next Lodge did not end there since we had to take another car and boat to go for another extra 03 hours to finally arrive to our target Lodge. Once at the lodge we just decided to relax the rest of the day since we had to get up early the following morning. Our birding was mainly from the boat.

Birds of the Day:

- ✪ A very nice family of *Orinoco Goose*, *Great Black Hawk*, *Black Skimmer*, *Sand Coloured Nighthawk*, *Pied Ladwing*, *Southern Rough Winged Swallow*, *Moscovy Duck* & *Southern Caracara*.

OCTOBER 24TH

Another early start to visit the Biggest Macaw's Clay Lick along Tambopata River and our boat ride to the place was a little wet since we got some rain along this trip, pretty much the whole way from the lodge to the Macaw's place. So once at the point we had to wait for at least one hour then the weather started getting better and we could finally reach our target destination. So lucky this day since rain really stopped and we could get the natural show we were looking for. Numbers of colorful birds flying around that let us enjoy the place very well and get some nice shots. After nice lunch we had a requested siesta to then go and see the Harpy Eagle Nest, we got to see the 08 month old Chick playing around the nest and we waited for the Mother but did not come out.

Birds of the Day:

- ✪ *Scarlet Macaw*, *Red and Green Macaw*, *Blue and Yellow Macaw*, *Blue Headed Parrot*, *Orange Cheeked Parrot*, *Cobalt Winged Parakeet*, *Blue Crowned (Amazonian) Trogon*, *Green and Gold Tanager Birds we Heard*, *Gray Antbird*, *Pavonine Quetzal*, *Little Tinamou*, *Olive Backed Foliage Gleaner* & *Plain Browned Woodcreeper*.
